TO WHOMSOEVER IT MAY CONCERN

Sathyabama Institute of Science Technology has introduced the credit system of Evaluation awarding Letter Grades and conditions Assessment since 2008 for the various Degree Programmes offered at Sathyabama Institute of Science Technology. Under these Regulations, the students are given a Grade Card at the end of each Semester.

The GPA (Grade Point Average) for each semester is calculated according to the grades and the credits earned by the student in that particular semester. Also the CGPA (Cumulative Grade Point Average) at the end of each semester is calculated by taking into account the Grades and the Credits earned by the courses up to that semester.

The Final CGPA (Cumulative Grade Point Average) is calculated at the end of the programme taking into account the grades and the credits earned by the student in all the courses of the Degree Programme in all semesters. The overall performance of the student is indicated by the CGPA on a 10 – point scale. **To get the performance in % of marks, the overall CGPA shall be multiplied by 10.**

% of Marks Secured = CGPA Secured ×10.
